

Inspired, In Love with the Lord, Faithful

Cynthia Bolton is a native Atlantan who takes full ownership of the city because she's one of the few people born here and remained here. She has strong roots in the community. The granddaughter of a Baptist Preacher and niece of Atlanta's gospel legend, Willie Slaughter (The Crossroads Gospel Singers), Cynthia says she fell in love with Jesus when she was around seven years old. This is when she began her intimate walk with the Lord, and His lordship over her life was realized.

Cynthia is the Minister of Music and Worship leader at The Rock Church of God in Christ located at 2960 Alston Drive in Atlanta. Her ministry began over 22 years ago as part of the Stella Award winning Showers of Blessings Choir of Cathedral Faith Church of God in Christ. Since that time she has become an anointed teacher and preacher of the gospel.

She's inspired by the vocal styles of Yolanda Adams and Luther Vandross, the anointing and longevity of Shirley Cesar, and her all time favorite is Ms. Gladys Knight.

Cynthia has a strong commitment to serving Him and knowing that He is in control at all times. This is evident in her track record of performances in Atlanta and her stage presence when singing praises to the Lord. She guides the audience through her journey with Him by taking the gift which He has given her to new heights. She has an incredible voice and she trust the Lord in showing her how to deliver His message through song.

The selections on ***Praise Pleases Him***, include original songs — two of which she wrote. These songs are a manifestation of the relationship she's enjoyed and continues to realize with the Lord Jesus Christ as He leads her through the plans He has for her life. The song entitled "***Faithful***" will encourage you and renew your strength while you wait on the Lord. "For they that wait on the Lord, shall renew their strength..." "Through experience, I've learned that I can really trust the Lord. I can truly say that He is faithful." You will also be blessed and inspired to pray along with her for a "***Word from the Lord***". "For man shall not live by bread alone but by every word that proceeds out of the mouth of the Lord." The song "***I Don't Know What You've Heard About Jesus***" is an uplifting testimony of who Jesus is to her. When you know that God is in control and that Jesus is both 100% man and 100% God, you can truly say that "He's my Jesus and my King."

Recently she performed in Los Angeles at the Blacks in Government National Training Conferences (NTC) Gospel Extravaganza, where she opened for Minister Daryl Coley, and also on Big Red's "Don't Worry Be Happy Show."
