Dear Jasmine,

Thank you so much for singing at the 2000 Child Survival Awards. It was an honor to recognize U.S. Fund for UNICEF National Ambassador Laurence Fishburne for his work with children, and we thank you for lending your magnificent voice to the evening.

Through the Child Survival Awards, we raised more than \$115,000 for UNICEF initiatives. Your support to UNICEF helps us continue our work for children and insure that all children reach the age of six healthy, ready to learn and with a place in school. UNICEF continues to make strides in education programs, immunizations, nutrition, water and sanitation.

Enclosed you will find a program and photos from the evening. I will send the video along once I get it duplicated. Please don't hesitate to call the office at 404-881-2700 x 200 if you have any questions or need anything.

Regards,

Dear Mrs King:

On behalf of the city of Detroit, the Michigan chapter of the SCLC, and Wayne County Community College we salute you for the commitment that you made for the Dr. Martin Luther King, Jr. holiday celebrations. We also commend you for giving this community the opportunity to witness God's Miracle in Jasmine.

I am sure that you and Jasmine are accustomed to the standing ovations and the words of congratulations as Jasmine has lifted up the name of Jesus, but for us it was the most blessed inspirational moment that we have had in the 15 years of celebrating the birthday of Dr. Martin Luther King. Truly the words that Dr. King spoke when he said, "I Have A Dream" came to life as Jasmine brought tears to the eyes of those gathered for that historic event.

Thank you again for all that you did and we will always be here for you when you need us. Tell Jasmine that God has blessed her with a very special gift and he will always love and protect her as she goes on to do his will.

Sincerely,

Dear Ms. Stockley-King:

On behalf of the Child Welfare League of America (CWLA) and the Georgia Department of Human Resources, we thank you for allowing Jasmine to perform at the Second National Kinship Care Conference that was held in Atlanta, Georgia in August. Everyone was captivated with her performance. She is so talented and blessed to have such a powerful voice. In addition to her marvelous voice, she also has a winning personality.
